LC-20D30U | Televisions

The AQUOS® LC-20D30U has a contemporary and elegant design with a matte black finish and included table stand that easily removes for wall-mounted applications. The LC-20D30U features a true 16:9 aspect ratio and HDTV compatible resolution of 1366 x 768, HDMI, HD Component Input and PC Input coupled with Sharp's proprietary Advanced Super View WXGA LCD panel to deliver superior picture quality.

Features

- **20" Widescreen ASV (Advanced Super View) LCD Panel¹**
is a Sharp proprietary panel with black TFT low reflection coating.
- **Wide XGA (1366 x 768) Resolution**
displays HDTV program images in 720p and is compatible with off-air (terrestrial), cable and satellite HDTV broadcasts (separate HDTV tuner/decoder required to display HDTV broadcasts).²
- **High Brightness (480 cd/m²)**
AQUOS Liquid Crystal Televisions are very bright. You can put them anywhere -- even near windows, doors or other light sources -- and the picture will still be vivid.
- **High Contrast Ratio (800:1)**
provides incredible images whether you're watching dark or bright scenes.
- **PC Input**
allows you to use the LC-20D30U as a PC monitor.
- **Wide Viewing Angles (170° H / 170° V)**
Sharp's viewing angles are so wide, you can view the TV clearly from anywhere in the room!
- **Included Table Stand**
the ultimate in convenience!
